SIR:

**RESPONSE TO NOTIFICATION OF MISSING REQUIREMENTS UNDER 35  
U.S.C. 371 IN THE UNITED STATES DESIGNATED/ELECTED OFFICE  
(DO/EO/US)**

In response to the Notification of Missing Requirements mailed October 11, 2006, copy enclosed, filed herewith is a copy of the signed Declaration originally filed in the corresponding PCT application by the applicant's German attorney, Christoph Engel. As

Serial No.: 10/570,839

noted in the upper right-hand corner of the Declaration, the Declaration was identified as being directed toward PCT International Application PCT/EP2004/009729, however, Mr. Engel inadvertently omitted the PCT Int'l Application number on the form itself, instead entering only "PCT/EPA" in the space provided. The PCT application number has now been entered on the form as required, along with the filing date of the PCT international application and corresponding US application number.

As the executed Declaration is now in compliance with 37 CFR 1.497(a) and (b), identifying the application by the international application number and international filing date, the undersigned submits that all application requirements are complete and a Notice of Acceptance is respectfully requested.

**FEES**

While it is not believed that any additional fees are due as a result of this Response, the Commissioner is hereby authorized to charge any fees that may be due to the undersigned attorney's PTO Deposit Account No. 50-1047.

Respectfully submitted:
